

# Esperanto

The International Language

A language

that belongs to no country,  
no empire, no master,  
but to everyone who wishes to  
use it.

Free online tuition and a community of  
learners - 100,000 and counting from 240  
countries and territories

One of the languages translated by Google

The Google Translate team was actually surprised about the high quality of machine translation for Esperanto. Esperanto was constructed such that it is easy to learn for humans, and this seems to help automatic translation as well.

- Thorsten Brants, Research Scientist, Google Translate
